

Have you been denied individual major medical health insurance coverage? Is your COBRA ending and you are having trouble finding coverage? Are you in your sixties and all the Orlando health insurance quotes you see are too high?

Guaranteed Issue Health Insurance might be the solution you are looking for.

Guaranteed Issue health insurance plans offer doctor co pays, prescription coverage, preventive care, hospitalization and some plans offer a discount dental and vision.

Since the plan guarantees coverage, the monthly premiums are fixed depending on how many members sign up. For people who are on medication, the guaranteed plans will not rate you up.

There are choices of plans depending on how much hospital coverage you need. For people in the Orlando area who are in between jobs, this is a perfect plan because it is considered credible health insurance and you can go into a group health plan without lapse in coverage.

If you live in the Orlando area and you think that a Guaranteed Issue Health Insurance plan would be a right fit for you, give us a call at 407-489-5777 for a free quote.
