

Earlier this year Cigna Health Insurance entered the Florida Individual/Family Health Insurance market. Cigna is one of the leaders in Group Health Insurance in the United States.

For the Florida Individual/Family market they are offering a traditional co-pay plan and a tax savings Health Savings Account plan.

The co-pay plan offers unlimited doctor visits, first dollar preventive care, prescriptions and catastrophic hospital plans with your choice of deductible.

The Health Savings plan let's you use pre tax dollars on your medical expenses and has a catastrophic hospital plan attached.

Sounds good, but how much are the monthly premiums??

Cigna's family Health Insurance plans are up to 40% lower than Orlando/Florida's next best plan.
